 **PLANAM**

WOMEN'S

FOR HARD WORKERS

Workwear should be functional, practical and also geared towards the needs of those wearing it. PLANAM therefore manufactures in line with industry requirements and the different wishes of men and women.

The Women's collection impresses with its tried and tested PLANAM hallmarks such as high-quality standards and practical equipment features for protective clothing. In terms of design and functionality, we have created special models which both look good and are cut well, ensuring the highest level of wearing comfort. Thanks to their special degree of resilience, today's hard-working women can concentrate fully on the job at hand. The easy-care and fast-drying properties of all items guarantee a long lifespan.

SERVICE

The first impression is the key

The right work clothing is always a calling for your company and is also used as free advertising space with your logo. We bring your message to a wider audience – with the PLANAM finishing service.

Infinite variety

There are thousands of variations and options to personalise the PLANAM products and create an individual design. Here we are showing you a small selection of what is possible, in order to inspire you and give you ideas. Please contact us for expert advice to find out which type of finishing fits most optimally with our products. You explain your requirements and we will make them happen in as short time as possible.

Small order or large production runs

It doesn't matter whether it is a small trade business with 5 employees that needs to be equipped with CI Clothing or a large industrial company with several hundred employees. We can create up to 1000 emblems a day for you at the Herzebrock-Clarholz site.

Finishing of Personal Protective Equipment (PPE)

It is particularly important in relation to the finishing of Personal Protective Equipment (PPE) that the type of finish added is specifically suited to the PPE type examination certificate and is recertified accordingly. Here to, PLANAM offers a multitude of certified options for attaching your company logo on the PPE.

For any modification to the PPE which is not recertified, the type-examination certificate will no longer be valid and the complete protection of the wearer can no longer be guaranteed.

Available in any colour and with vast design options for a size of max. 390 x 390 mm.

Special embroidery thread made from high-quality polyester guarantees long-term durability.
